COLLEGE EMBLEM

Lord Krishna with flute in hand signifies that the college is established and administered by Yadava community for whom Shri Krishna is the principal deity.

Kuthuvilakku symbolically stands for enlightenment – dispelling ignorance and enriching knowledge. **Cow(Kamadhenu)**

connotes endowment of wealth especially wealth of knowledge and wisdom. The

Open Book in the emblem signifies the importance of formal education. Thus the college is the spring of knowledge and wisdom that enriches the downtrodden society. The **Tower** in the middle of the emblem is reflective of the college which is

a temple of knowledge. The **Motto** written at the bottom - **ARIVEA SELVAM** – means wisdom is wealth

III. Reforms in evaluation method :

1. Continuous Assessment:

- 30 or 25 % weightage
- Assessment made by periodical quizzes, assignments, class tests and two Centralized tests in every semester
- Remedial measures undertaken by way of conducting special and improvement tests
- Tentative semester examination program is made available in the college calendar supplied to the students in the beginning of every academic year

2. Semester examination is conducted during the month of November and April-May for odd and even semesters respectively.

- A squad of senior faculties is formed and its members go around and inspect all the examination halls to check whether any student indulge in malpractice.

3. Question paper setting for the semester examination is external.

- Question paper proof is subjected to scrutiny and approval of external subject experts.
- Central valuation of semester exam answer scripts is conducted during November and April-May for I and II semester respectively.
- Double valuation of answer scripts is made by the course teacher as well as an external subject expert and the average mark of the two valuations is treated as the final mark
- Permissible deviation of marks between first and second valuation is 15% .

- The cases where the difference between the two valuations exceeds 15%, third valuation of such answer scripts is done by another external examiner and the average of the two closest marks is treated as the final marks.
- Feedback on the course teachers, covering about ten parameters and the characteristics of the semester question paper are obtained every semester and follow up steps are being taken based on the above said feedback.

IV. Reforms in the design and security features of the mark statement certificates:

- ✓ Mark statement design is in such a way that the complete information related to the examinations is available on it.
- ✓ Invisible security features are incorporated on the mark statement, making it impossible for the production unauthorized, and bogus mark statements.
- ✓ Hologram is affixed on the mark statement certificate, making it impossible for effecting any alteration or manipulations on the mark statement.

Visit to Research Lab
CSIR–CECRI
Kariakudi on 26.08.2016

As a part of the Programme, students visited the research labs of Ni plating, Smart fabrics, Bio sensor, H₂ fuel cell, LAB/Li /Zn-Br₂ battery, Corrosion, Chromium recovery and Central Instrumentation Facilities.

Students learned the sophisticated analytical instruments like, FT-IR Spectrophotometer, XPS, UV-VIS Spectrophotometer, AFM, Field Emission SEM, **Electronics, Glassblowing and Workshop**, Design, fabrication, repair, and service of electronic instruments, Design, fabrication and repair of glassware and mechanical equipments, accessories, Flow Cytometer (FACS), Preparatory HPLC, Liquid Chromatography – Mass Spectrometry (LC-MS), Bioreactor, UV spectrophotometer, Electro Chemical Workstation, Paint Coating machine, Salt Spray Chamber, Corrosion – Metallurgy – Multifunction's, Micro Hardness Tester, UV-VIS-NIR Double Beam Spectrophotometer, Fluorescence Spectrophotometer, Laser Raman Microscope Metallurgical Microscope with Image Analyser, SCANNING PROBE MICROSCOPY (SPM), Nuclear Magnetic resonance (NMR), Scanning Electron Microscope, Powder X-ray Diffractometer, X-ray Analytical Microscope (XRF), Ion Chromatograph, X-ray Photoelectron Spectrometer,

Transmission Electron Microscope, Electron Paramagnetic Resonance (EPR) Spectrometer, Electrochemical Analyser, High Resolution SEM, Gas Chromatography - Mass Spectrometer, Inductively Coupled Plasma Mass Spectrometer (ICPMS), Particle Size Analyser, Mercury Intrusion Porosimeter (MIP)

Ms. K. Masha Nazeem delivering a concept on demonstration of science project on 27.08.2013

Demonstration of Science Project by Ms. K.Masha Nazeem, Masha Innovation Center, Nagercoil. She has designed devices like,

1. Burglar Alarm
2. VIP Security System
3. Conveyer Belt System
4. Hi-Tech Train Toilet
5. Hygienic Drainage Disposal System in Trains
6. Modified Fuel Dispenser
7. Transparent Test Tool Kit (3TK Box)
8. Flameless Seal Maker (Patent File No:2036/CHE/2008)
9. Mechanical Porter

Hands on Experiment at Yadava College, Madurai, Tamilnadu

- Isolation Eukaryotic DNA from Animal Tissue
- Hands of Training on Robotics
- Laser based Experiments
- Spectrometer based Experiment
- Separate the components of a mixture of ammonium chloride, salt
- Vermicomposting: Composting with Worms
- Differential White Blood Cell Count (Differential Leukocyte Count)
- ABO Blood Grouping Test
- Isolation of Micro Organisms from Soft Drinks
- Gram Staining
- Mathematics Cube Puzzles
- Bird Watch & Tree Walk
- Demonstration of Instrument at Yadava College

Feedback Received from Mentors

Mentors are overwhelmed that they are given a chance to interact with the budding scientists. In their session, mentors feel that they are very much moved by the intelligence of the students of rural area. They asserted that if good exposure is given to this student, we could expect a good qualitative output.

Feedback Received from Students

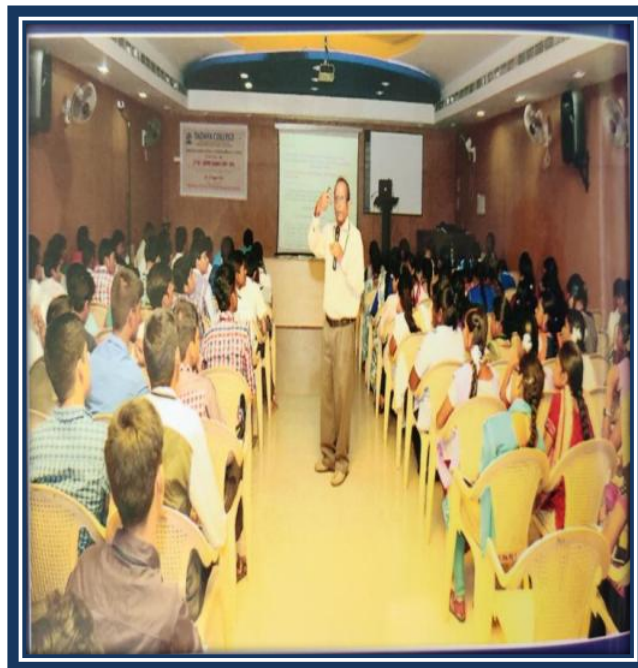

Students were very happy with the INSPIRE Science Camp. Their eyes and minds were open to the new fields of science. They were much puzzled to see the Research Labs, and get themselves involved in the hands on experiments such as seeing DNA, assembling of Robotics, Blood Grouping and Staining. The consultancy and social benefitted output of this institute is admired by the students. Students are fascinated with the new subject like Career Opportunities in Science Streams, Plant Taxonomy – Floristics, Recent Trends in Astrophysics, A face in space Non – Commutative IWAASAWA Theory, Carbon Footprint and Climate Change, Bio –diversity Conservation, Science Through Experiment, Molecules, Energy Levels and Physicochemical Properties, Demonstration of Science Project, Microbial fuel cells & Nano Materials and Electro Inorganic Chemistry.

Feedback Received from Parents

Parents have admitted that due to their ignorance only, they refrained from sending their wards to basic science courses. The messages delivered at the programme opened up their eyes to take decision for the academic enrichment their wards.

One Day Science Workshop

Mr. N. Yasoth Kumar Assistant Professor, Department of Botany organized a one day Science Workshop on the Commemoration of National Science day on 28.02.2017 and this program was catalyzed and sponsored by **Indian Institute of Science Education and Research (IISER), Thiruvananthapuram, Kerala**. Professor V.Ramakrishnan, Director of IISER and Dr. Vijiz Thomas, Assistant Professor, School of Mathematics, IISER, graced the function. The academic sessions are as follows:

S. NO.	Name of the Resource Person	Topic
1	Dr. Sathish Khurana, Assistant Professor, School of Biology, IISER, Kerala	Stem cells: From Bench to Bed Side
2	Dr. Vijiz Thomas, Assistant Professor, School of Mathematics, IISER, Kerala	Solving the Cubic, Quartic and a Quintic Polinomial
3	Dr. Sathak Ali, Assistant Professor, School of Physics, IISER, Kerala	Photonic Crystals
4	Dr. Ramesh Rasappan Assistant Professor, School of Chemistry IISER, Kerala	Drug Discovery: History and Modern Perspectives

18. Community Services

Yadava College does not restrict itself with academic activities alone. Our college fully understands the fact that the development of the society depends largely on teachers and the students community. Hence it has endeavoured to move towards the nearby villages to understand the problems of the society and has taken necessary steps to help them.

26. Computerization of administration and the process of admissions and Examination results, issue of certificates:

- The administration of Yadava College is done in a modernized manner. The office is completely automated and each office staff is provided with a computer. This helps in the speedy movement of office work. The office is linked with other sections and all the departments through intercoms.
- Admissions are done in a systematic way. As soon as results are declared, application forms with prospectus are issued to aspiring candidates. The selection is done through standardized process keeping in mind the presence of the college amidst rural atmosphere and the socially and economically backward and deprived people.
- The Examination section as usual functions with highly automated atmosphere. Students are enrolled with a digital code informing year of study, class, number of semesters etc. The minute details of each and every student in his academic excellence is fed into the computer system of the exam section and hence the details of any student can be retrieved at given moment. The Marks of internal evaluation are being entered through intranet which is available in each department against each student and the marks of External evaluation are being entered against each student and so the variation of marks obtained by the students could be easily derived through this method. Categorization of high, medium and low achievers is being done in each class. Remedial measures are given to low achievers to upgrade their mark in their weak subjects. This approach has yielded good result during 2016-17.
- The exam fees for all students in each class have been illustrated in the program and so the students find it easier to pay the fees in office without failure. The exam section has handled both autonomous and university regulated programmes

excellently. Because of the perfection in the administration, no confusion has occurred in dealing with the different streams of student community.

- The examiners panels of the autonomous stream are drawn on the basis of seniority and expertise in the respective subject. Both internal and external valuations are being practiced to evaluate effectively.
- The date of publication of results was fixed well in advance and results were released on that day through college web page. Degree certificates are being issued in person.
- The examination section is provided with high end computers, fax, copiers and printers. This office is a role model for college examination activities for other colleges. Many public examinations such as Civil Service Exam, Public Service Commission Exam, other entrance exams are conducted in our college and the examination section does all the spade work.

32. Activities and support from the Parent Teacher Association

ORIENTATION PROGRAMME

Orientation Programme for freshers are conducted every year at the start of the Academic year. The purpose of the program is to acquaint the students on the nature of functioning of a college and the facilities available to them.

This year, in the Orientation Programme organized by the PTA, Dr.Jeyantha Shri Balakrishna, Former Associate Professor in English, PSG Arts and Science College, Coimbatore, addressed the freshers and intricated on the values in education and the ethics to be followed in a student life on 29.08.2016.

GREEN CARD SYSTEM

The college administration has taken cognizance of the fact that the holistic development of the student is possible only when the parents are involved in the process of education. Hence the Green Card System has been evolved and it is being implemented successfully.

FEEDBACK FROM THE PARENTS

It is heartening to note that all the parents are aware of the Green Card System in our college. Further 97.9% of the parents feel that Green Card System is beneficial to their children.

NATIONAL PLAYERS

S.ANTHOIAMMAL (II MA TAMIL)

Represented India in the Women Beach Kabbaddi in the Asian Women Beach Kabbadi Championship held in Da Nang, Vietnam on Sep to Oct, 2016.

Represented our country in the World First Women International Beach Kabbaddi meet 2017 at Mauritius on 18 & 19 March, 2017.

The dusty Yadava College ground resembled a battleground, as S. Anthonyammal thwarted her rivals' dreams of scoring points in a kabaddi match. With elimination of each rival member, the noise of clapping hands soared. It was only a practice match but Anthonyammal displayed the zeal to outwit her opponents
