

Road Safety Awareness Rally

NSS Yadava College

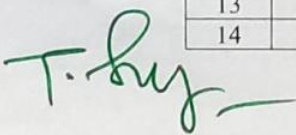

DATE: 07.12.2018

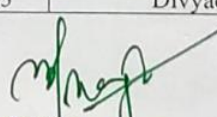

The National Service Scheme of Yadava College in collaboration with the Police of Oomachikulam organized Road Safety Awareness Programme on 07.12.2018. Initially, the students were cautioned about the safety measures to be taken while riding a vehicle and were educated about the rules and regulations by the traffic inspector. Later, the students interacted with the Oomachikulam public and gave pamphlets about road safety rules.

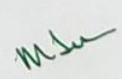

No of Students Participated: 300

Clean India Pledge Programme Madurai Vaigai Cleaning Work Organized by Madurai Administration

Date: 20.12.2018

As per the directions of Madurai District Collector Thiru S.Natarajan and Corporation Commissioner Mr.S.Aneesh Shekar, Commissioner of Police Mr.Davidson Devasirvatham and PWD Executive Engineer Mr.Subramanian, 500 National Service Scheme volunteers of Yadava College participated in Madurai Vaigai River cleaning work, inaugurated by the collector. Thousands of students from various colleges in Madurai assembled there. The young generation was informed about the importance of preserving water bodies by keeping them clean. Students actively cleaned the garbage in the river bank. This initiative from the administrator of Madurai attracted the attention of the general public who took pledge along with the students to keep the river clean.

Polythene Awareness Rally

(From Yadava College to Iyer Bunglow)

and

Cleaned Azharkovil Campus on the same day and Counted Coins in Hundiya
Date: 14.03.2019

No of Students Participated: 150

The National Service Scheme of Yadava College organized Polythene Awareness Rally to insist on the dangers of plastic to environment. The rally began from the college and ended at Iyer Bunglow. The students were then taken to hills of Azharkovil to collect polythene wastes from the temple campus and safely dispose them. The students also interacted with the public and talked about the hazards of polythene materials that are not disposed properly. Some students helped the temple authorities to count the coins in the hundi of Arulmigu Sree Sundararaja Perumal Kovil, Azahar Hills on the same day. They also helped to keep the temple clean.

EXTENSION ACTIVITY REPORT

As Part of our Academic Mission, The Department of English has conducted the extension activity program every fortnight. On August 23rd, 2018 **Dr.C.Raju** M.A., Ph.D. Associate Professor and Head Department of English handled '**ENGLISH GRAMMAR TEACHING**' for Sri Ram Nallamani Yadava Girl's Higher Secondary School, Thiruppalai. The responses of the students were over whelming and they felt '**ENGLISH GRAMMAR TEACHING**' highly useful. Feedback from the students was collected and it was analyzed that the beneficiaries welcomed the program to continue.

(March 22 , 2019)

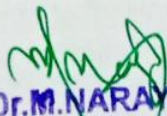

Department of Chemistry, Yadava college, III Year students have analysed the quality of drinking water at West Panchayat union schools, Madurai.

Our III B.Sc Chemistry students collected water from 11 schools such as Alathur, Oomachikulam, (Primary & High) Veerapandi, Erukkalainatham, Maranivariyendal, Chatthirappatti, Menendal, Usilampatti, Ayyanavaram, Karuvanoor and 4 places in Yadava college, Physico-chemical parameters (pH, Total Alkalinity, TDS, Total Hardness, Calcium hardness, Fluoride, Chloride, Nitrate, Ammonium, Phosphate, Iron, Residual chloride) were analysed in the Chemistry laboratory, Yadava college using Water Testing kit. Biological parameters were analysed in Tamil Nadu Water Testing laboratory, Madurai. In selected schools most of the physico-chemical parameters were within the normal limit and the water is fit for drinking. In some schools biological parameters were found to be having more than the standard values. Chlorination is suggested to improve the palatability of the water.

All the Analytical Reports were released in the form of book by our Principal Dr. P.Alagesan., on March 22nd 2019. (World Water day) at our college. Block Elementary educational officer Mrs. P.Renga Nayagi., M.A., B.Ed., received all the books and delivered the felicitation address. Mr. Thulasi Raman MBA., DPH., Technical Personal Assistant, Department of Health services, Madurai, delivered the special address on (WASH) Water Sanitation and Hygiene. Mr. K. Selvakumaresan, Headmaster, Madurai West Panchayat Union Primary School delivered the special address on Water harvesting.

Mr. S. Bose chandran III B.Sc Chemistry student explained the comparative analysis of all drinking water quality parameters. Our chemistry department students, Self Help Group Women were participated in this programme.

In the year 2018-2019, Our Information Technology Department conducted the extension activity at Sri Gopalakrishna Hr.Sec.School, Sirudhur. The department students conducted a programme on "HANDICRAFTS AND PREPARATION TECHNIQUES " for the school students on 20.02.2019. The main motive of this activity is to help children see themselves as thinkers and respond to curiosity. Our department students provide education that will enhance the development of themselves. This programme increases the students level of social responsibility, and examines values, beliefs and understanding of self and others. Our Extension activity is the response of the College to the established needs of the school and the community. Our Programme is an important instrument that links the classroom to social reality and takes in areas such as leadership skills, independence, negotiating, teamwork and ability to work with others. The school students took part in the programme interestingly. Our department provided all the material for every students at free of cost for their own training practice.

Report of the activity :(please attach photo)

Objective of the Event: Bio life aims at the act of living with intent. The intent is focused on not creating harm to environment by avoiding plastic, and to prevent as much harm from occurring to the environment through our interaction with it. It goes beyond an idea and extends to actual practices that influence how communities, businesses and individuals conduct themselves. Being bio-friendly goes far beyond just turning off lights when we leave the room or separating our garbage for recycling-it is about changing the purpose of how we live like planting more and more trees.

Report of the Activity: Students actively listened about the significance of protecting the wild life and ecological chain of insects and animals through the lecture of the Guest Speaker Dr.N.Alaguchamy M.sc., M.Phil., M.ed., Ph.d Head and associate professor, Department of Zoology, Raja Dooraisingam Government Arts College, Sivagangai. They also learnt from him about the significance of planting more trees and protecting the existing trees at the possible places including the college campus. They also got clear knowledge about the endangers of using plastics.
