THE COLLEGE EMBLEM

DESCRIPTION

Lord Krishna with flute in hand signifies that the college was established and is being administered by Yadava Community for whom Shri Krishna is the principal deity. Kuthuvilaku symbolically stands for enlightenment – dispelling ignorance and enriching knowledge. Cow (Kamadhenu) connotes endowment of wealth especially wealth of knowledge. The open book in the emblem signifies the importance of formal education. Thus the college is the spring of knowledge and wisdom that enriches the downtrodden society. The tower in the middle of the emblem is reflective of the college which is a temple of knowledge. The motto written at the bottom – **ARIVEA SELVAM** – means Wisdom is Wealth.

A BRIEF HISTORY

The Yadava Educational Fund was established by a few leading service minded Yadava Community people in the year 1962. The aim of the fund was to award scholarship and supply books to the deserving school students. The realization of the importance of the higher education for the socially and educationally backward Yadava Community people led to establishment of the Yadava College in the year 1969. It is run purely on donation received from Yadava Community philanthropists all over the country. Any one from Yadava Community who subscribes a minimum of Rs.250/- and above up to 1993 and Rs.500/- and above beyond 1994 can become a Life Member of the General Body of the Fund. The management constituted by the elected members of the General Body administers the college since 1971.

The college was started with two pre-university courses in a temporary building. The Tamilnadu Government generously allotted 39 acres and 57 cents of land under Thiruppalai Panchayat limits in the year 1969. In the same year a Hostel building was also constructed. The college started functioning in the new premises from the academic year 1970-71.

At present, the college is a Co-educational institution in which 3044 students pursue their higher education. About 384 students stay in hostels. There is a separate hostel for women students in the College Campus. The College offers 20 Under Graduate Courses, 9 Post Graduate Courses, 6 Research Courses and 17 Job Oriented Certificate and Diploma Courses of the Madurai Kamarai University. The college offers 17 free Certificate Courses and 1 Diploma Course. The Department of Tamil, Commerce and Zoology have been elevated as Centre for Higher Research and offer Full Time as well as PartTime M.Phil and Ph.D programmes. A Modern library with 55,569 volumes, an IT Block and a Science block with three

floors depict the dedicated hard work of the managing council for the development of the college. Library is equipped with modern computer facilities with latest journals in all subjects. Students of Yadava College earn name and fame to the college by participating in sports activities at the Zonal and university levels and have won university Championships in the games like Volley Ball, Kabadi, and Athletics etc. N.C.C was established in the year 1972 in the college. Seven units of N.S.S. successfully carry out various extension activities. The National Assessment and Accreditation Council has re-accredited our college and has given 'A' Grade. in the year 2011. Madurai Kamaraj University has adjudicated the college and given the "**Best College Award**". The college wishes the young and energetic youth to use this campus for their upliftment.

GREEN CARD SYSTEM

The college administration has taken cognizance of the fact that the holistic development of the student is possible only when the parents are involved in the process of education. Hence the Green Card System has been evolved and it is being implemented successfully.

Personal information of the students, academic details, attendance and a detailed analysis of every student are recorded in a computerised sheet.

A mentor who is in-charge of the students maintains the records and ensures that the entries are regularly updated.

Towards the end of every semester, a Parent - Teacher meeting is held on the day marked for this purpose in the college calendar.

Parent meets the respective mentor with their wards and collect the details of their wards. The computerized sheet with the detailed analysis is given to the parents with necessary suggestions for better performance of their wards in future. Then the parents meet the head of the department and if necessary, the Principal.

Feedback from the parents

It is heartening to note that all the parents are aware of the Green Card System in our college. Further 97.9% of the parents feel that Green Card System is beneficial to their wards.
